## 9. Physical and chemical properties

Form: Solid formulation as Soluble granules (SG)  
Color: soft white  
Oduor: none  
Bulk volume fluffed: Data not available  
Bulk volume jolted: Data not available

## 10. Stability and reactivity

Live organisms; do not expose to extreme conditions or sunlight.  
No materials to avoid.  
No hazardous decomposition products.

## 11. Toxicological information

Information given is based on data for the formulation (unless otherwise specified)

Generally: Non-toxic.  
Acute toxicity Oral: Data Not available.  
Acute toxicity dermal: Acute toxicity dermal  
Acute inhalatory: Data Not available.  
Skin irritation: Data Not available.  
Eye irritation: Data Not available  
Skin sensitization: Data Not available.  
For human effects refer to section 4 on the toxic effects of the formulation.

## 12. Ecological information

Information given is based on ecotoxicological knowledge of the product.  
No ecological hazards.

## 13. Disposal consideration

Any unused product should be emptied in a designated waste disposal area. Empty containers and lids should be collected and returned to Dudutech for re-use.  
Recommendations given are considered appropriate for safe disposal. However local regulations might be more stringent and these must be complied with.

## 14. Transport information

Not dangerous cargo, keep dry and cool conditions during transit.

## 15. Regulatory information

Product label conforms to PCPB (CAP 346) requirements.

## 16. Other information

Product is supplied in 0.6 and 1.2 liter containers  
Packaging is plastic containers.
